

FOR IMMEDIATE RELEASE

**GELPAC STRENGTHENS ITS MANAGEMENT WITH APPOINTMENTS THAT
UNDERLINE SIGNIFICANT CONTRIBUTIONS TO ITS GROWTH**

Montreal, September 3rd, 2019 – In the wake of the company’s remarkable growth over the years and in order to ensure that it is perfectly poised to successfully meet its next challenges, Mr. Alain Robillard, president and chief executive officer of GELPAC, announces the following appointments:

M. Luc Ravenelle:	Vice president sales and marketing;
M. Patrice Fortin:	Vice president finance;
Mme Mélanie Turcotte:	Vice president human resources;
M. Frédéric Rousseau:	Vice president quality, R & D et procurement;
M. Jonathan Le Sage:	Vice president operations

“ These appointments underline the significant contribution of each of these members of our team to the on-going success of the company. Their proven complementary skills, their dedication to teamwork and their total commitment to client satisfaction are, without any doubt, the building blocks of our reputation for excellence at the four corners of the North American industry ” states M. Robillard.

ABOUT GELPAC

GELPAC has been a leading supplier of high-performance packaging solutions to the North American food, chemical and construction industries for over 60 years. Its paper bags, multiwall paper bags, and various polyethylene packaging products are designed to meet the exact specifications of each client and are manufactured on state-of-the-art production lines by seasoned teams that share a common passion, that of a job well done.
